

## T-shirt order form

This is the official MKPK grading t-shirt to place you in group so we can train you at your level and get you to progress in the most effective way.

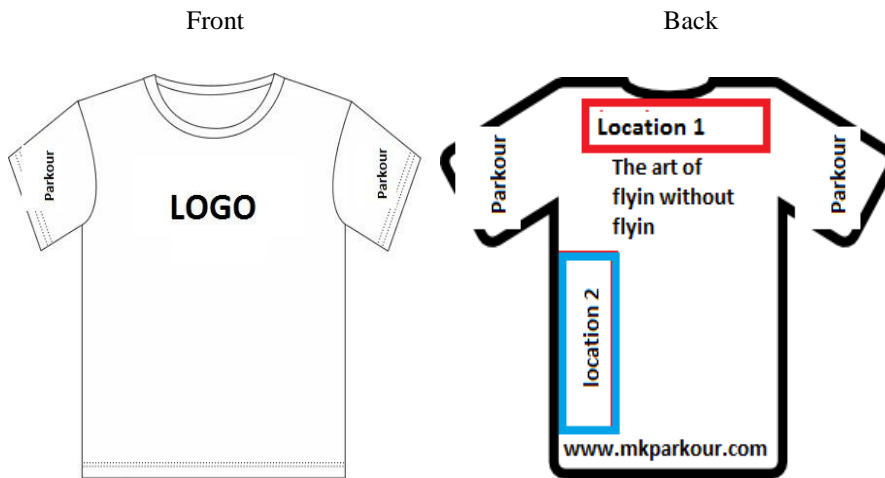

These tops will come in different colours as follows;

1. grade 1 = white
2. grade 2 = blue
3. grade 3 = yellow
4. grade 4 = green

Each colour will also have 2 or 3 stripes grades 3 and 4 will have 3 which tells us where in that level you are. The ability to perform certain tricks such as flips and vaults will also determine what level you are at. E.g. to be blue you should be able to perform most vaults.

T-shirts will have on them, MKPK logo on front. On the back MKPK slogan “the art of flyin without flyin” and our website at the bottom, on the sleeve “Parkour”.

For an extra £2 you can have your own name printed in one of 2 locations as shown.
